T4750

Tirador para plinto
Pull handle for door rail

Para poder instalar el tirador en el plinto, este debe ser solicitado al pedido del mismo.
Los tiradores solo se pueden montar en los plintos que estén fabricados especialmente para ello, por lo cual el pedido del tirador y del plinto debe de ser simultáneo

To install the pull handle in the door rail, you must order this one in your request.
Pull handles only can be installed in door rails which are manufactured specially for it, therefore, you must order the pull handle and the door rail simultaneously
